

THE KNIGHTS' CODE OF HONOR

Be always ready with your armor on, except when you are taking you rest at night.

Defend the poor and help those who can not defend themselves.

Do nothing to hurt or offend anyone or anything.

Be prepared to fight in the defense of your country.

At whatever you are working, try to win honor and a name for honesty.

Never break your promise.

Maintain the honor of your country with your life. Die honestly rather than live shamefully.

Chivalry requireth that youth should be trained to perform the most laborious and humble offices with cheerfulness and grace.

And do good unto others.
